

**United States House of Representatives  
Committee on Appropriations  
Project Request Summary**

**Subcommittee, Agency and Account Information**

**Subcommittee**

Transportation, HUD

**Agency**

Department of Transportation (DOT), Office of the Secretary (OST)

**Account**

Transportation Planning, Research, and Development

**Project Information**

**Project Name:**

Chicago Aviation Education Initiative

**Amount Requested:**

\$1,500,000

**Intended Recipient of Funds**

Chicago Department of Aviation

10510 W. Zemke Road

Chicago, IL 60666

**Explanation of the request:**

This program will benefit the taxpayers by creating a program that can be used across the country to increase diversity amongst air traffic controllers. Specifically, this project will enhance students' exposure to aviation careers. Additionally, it will help in identifying a "pipeline" of qualified students for these careers.
